The D.S. himself is empowered to open a road Insp. Station (P. 39 of the Regns). I do not know whether this is a necessary step, as the camp is situated probably in a detached part. The Med. Offr. there ought to be able to do the Med. part of the work.

The Senior Surgeon & the D.S. however both recommend the opening. Perhaps the Sanction may be reduced to 1 Daffedar & 4 Cons. Stables.
